Jackson County Health Department Standing Up Mobile Testing for COVID-19

The Jackson County Health Department in partnership with the City of Altus, Jackson County Emergency Management, and other community partners will provide a COVID-19 drive-through testing clinic. Supplies are limited and testing will focus on high risk individuals.

When: April 1, 2020 from 10:00 am – 2:00 pm (as supplies last)

Where: Western Oklahoma State College (south parking lot)
2801 N Main Altus, OK
Enter at the far North Entrance off of Main St
(near baseball field)

In order to be tested you must:

1. Be an Oklahoma resident
 2. Be 18 years of age or older
 3. Have fever greater than 100.4°F
 4. A cough or shortness of breath
- ❖ Only one person per household will be tested

Do not come for testing if:

1. You know you have been in contact with a person who has been diagnosed with COVID-19 within the last 14 days
